3	21.06.15	2	Insertion: 1.3 – Please note charges likely to change as prices may fluctuate 1.8 – annual cost of £150 has been agreed for 2016/17
4	16.05.17	2	1.3,1.6 & 1.8 increase to charges
5	15.05.18	2	1.8 amendment to coach charges

## CHARGING POLICY

1.0 We keep costs to a minimum and ask parents/carers to contact us in the event of hardship.

1.1 Items set out below are, however, essential:

pencils	30 cm ruler	school bag
rubbers	protractor	coloured pencils
pens	compass	

1.2 Safety goggles are essential for practical work in Science and Design & Technology. These are provided but students may buy their own. Students studying Design & Technology must possess the appropriate drawing implements for work at home. (Please note charges likely to change as prices may fluctuate).

1.3 The materials which are used by the student, other than in practice exercises, should be paid for by the student. Most frequently these materials can be purchased from the school at cost. Such costs for Technology materials are collected annually in September as follows:

<u>Year 7</u>	<u>Year 8</u>	<u>Year 9</u>
£15.00	£15.00	£15.00 - £20.00
<u>Year 10</u>	<u>Year 11</u>	<u>Years 12/13</u>
£5.00 - £22.00*	£10.00 - £15.00*	£5.00 - £30.00*

*\*If students have not previously studied Construction there will be an additional cost of £25 to cover Personal Protective Equipment (PPE).*

1.4 In Food Technology students bring their own ingredients from home but occasionally it is more economical for parents if we purchase bulk ingredients for topics (e.g. bread) and students make a contribution. The Food Technology Department ensures that recipes chosen are acceptable and economical. The student is given at least one week's notice of practical work and if recipes are not suitable for home use the department is always ready to provide alternatives.

1.5 Many of the local visits are undertaken as part of the school curriculum. Parents/carers are not expected to pay for these visits. In order to extend the range of such visits and to operate within the school budget, it is sometimes appropriate that we invite donations from parents/carers. Other visits in and out of school holidays are not necessarily a compulsory part of the school curriculum but can only take place if parents/carers are prepared to cover the cost. Parents who have difficulty financing any school activity are invited to contact, in confidence, the Headteacher. Parents/carers are notified at the beginning of each academic year of the intended visits and their cost in order to help with budgeting.

1.6 Instrumental Music lessons are available during school time. Lessons are 20 minutes per week and are available for 30 weeks each academic year during term time. The cost of lessons is:

£315 per year for individual lessons

£240 per year for shared lessons

1.7 The school accepts no responsibility for valuable items which should not therefore be brought to school. School books and other resources are loaned to students and must be treated with extreme care. Students are expected to pay for any damage due to wilful or careless use of school property. Heads of Centre are authorised to ask parents to sign a statement accepting responsibility for individual books.

1.8 The school currently runs a coach service which in the main is subsidised by the school. However, in order to keep the service running, an annual cost of £270 has been agreed for 2018/19, with a 50% reduction for a third sibling.
