

17th January 2018

Dear Parent/Carer,

RE: Gifted in PE Identification Evening for Year 7 Students on Wednesday 31st January 2018.

During year 7 at The Arnewood School your child has been identified as working well and achieving a good standard in PE lessons. We would like to invite to a special Gifted in PE selection session which will take place on Wednesday 31st January 2018 from 3:00pm until 4:30pm in the school gym. The session will involve a variety of practical activities and participants will need to wear school PE kit.

Could you please indicate on the reply slip below which sports or activities your child participates in outside of normal school hours and to what standard, if applicable, i.e. students who achieve county standard or higher in their chosen sport.

Please complete the reply slip and return it to Miss Jones at the Arnewood School if you wish your child to participate in this event.

If your child has a medical condition/disability please ensure that your child is not participating in this event against your doctor's advice.

Yours faithfully,

Miss H Jones
Deputy Head of PE
