Dear Parent / Career

iPad collection, Wednesday 7th November

Thank you for contributing to the Arnewood MeLearning scheme. We are looking forward to working with you and your child in the coming months and years.

iPads are scheduled to be ready for collection on Wednesday November 7th, as part of the whole school Parent Tutor afternoon and evening. This is later than we had originally planned due to availability of the new iPad pen. Please accept our apologies for this delay.

On November 7th you will be able to collect your son/daughter's iPad and you have met with your son / daughter's tutor. When collecting it you will be asked to sign that you have received the iPad and case and we will need to see some form of identification such as a driving licence or utility bill.

The iPad will be issued in its original cardboard packaging, along with the case. It is important that the case is fitted before the iPad is brought back into school. Full instructions on how to set up the iPad will be provided. We will begin working with iPads from Monday 12th November.

If you have any queries before November 7th please do not hesitate to contact me at school. If you are unable to attend on that date, please let the school know and I will be in contact to arrange an alternative date for you to collect your son/daughter's iPad.

Yours sincerely

M J Gough
