

12th October 2017

Dear Parent/Carer

**Re: Year 9 Educational Visit to The Living Rainforest Centre, near Newbury.
Thursday 16th November 2017**

The Arnewood School Geography department is delighted to offer your son/daughter the opportunity to visit The Living Rainforest Centre on Thursday 16th November 2017. The day trip will offer your child a valuable insight into rainforest management, which we will be studying this year.

Students will participate in a tour of the centre, investigating sustainable development and its implications on rainforest environments. There will also be time for students to explore the rainforest and its adaptations.

The students will travel by coach. They will leave The Arnewood School at 8:00am and will return to school by 3:00pm. The group leader for the trip will be Mrs Sallows. They will be under the supervision of teaching staff at all times.

The cost of the trip will be £20.00. Students will be required to wear school uniform and bring a packed lunch. There is a gift shop where students will be able to buy souvenirs.

If your child has a medical condition/disability, please ensure that your child is not travelling on this activity against your doctor's advice.

Please complete the medical form enclosed with this letter and return it to the Finance office, with the reply slip and cheque, by Friday 20th October 2017, if you wish your child to participate in this event. Cheques should be made payable to The Arnewood School with the student's name, tutor group and event on the reverse.

In the event that the trip is oversubscribed, places will be allocated on a random and equitable basis.

Yours faithfully

**Mrs H Sallows
Teacher of Geography**
