

4th June 2018

Dear Parent/Carer

Re: Award Presentation – Wednesday 13th June

Each year Pennyfarthing Homes present a Construction award to a student who has demonstrated hard work and dedication to their studies in Construction. The winner of the award also receives a £200 voucher from Travis Perkins, sponsored by Pennyfarthing Homes. This generous prize is designed to provide a young student with the opportunity to purchase tools and equipment which will support their future career and allow them to apply some of the skills they have learnt whilst studying construction at the Arnewood School.

The presentation of the award will be held at Alexandra Road, Lymington, which is a Pennyfarthing development, currently under construction. The award will be presented on Wednesday 13th June. Students will also be given a tour of the site to support their subject knowledge of Construction. This should provide your son with an excellent opportunity to gain an insight into the building techniques and practices used on site.

On this occasion we will leave school at approx. 9.15am during period 1 and travel by mini bus to the Pennyfarthing Construction site. We will return to school at approx. 10.30am.

Please complete and return the reply slip and medical form to Mr Clarke.

Yours faithfully

Mr P Clarke
Head of Design and Technology
