Dear Parent/Carer

Re: Construction Site Visit – Compton Road, New Milton on Friday 6th October

To support your son's coursework and subject knowledge for BTEC Construction, a construction site visit has been arranged. This should provide your son with an excellent opportunity to gain an insight into the building techniques and practices used on site in addition to the planning that goes into a construction project.

The trip will take place on Friday 6th October. We will leave school at approx. 9am during lesson 1 and travel by mini bus to Compton Road, New Milton where Drew's are building a two storey office building for the New Milton Advertiser. We will return to school at approximately 10.30am.

If you wish your child to participate in this event please complete the enclosed medical form and return it to me, together with the reply slip below.

If your child has a medical condition/disability please ensure that your child is not participating in this activity against your doctor's advice.

Yours faithfully

Mr P Clarke
Head of Design and Technology
