Dear Parent/Carer

Re: Drama Visits

In Component 3 of the GCSE Drama students are required to critically analyse and evaluate a live performance, therefore an important part of my role as Head of Drama is to offer students a variety of styles and performances to cater for all tastes. This year we are in a very fortunate position of having some excellent theatre being performed making choosing what trips to run incredibly difficult.

I appreciate that paying for trips can be difficult therefore; I have decided to tell you about all trips we are running throughout the year now so that you can decide which trips your son/daughter would like to attend. If you would like them to attend more than one trip, it will be possible to pay for each trip a month at a time to spread the cost.

The most important trip being offered to GCSE students is The Shadow Factory, which will be performed at the Nuffield Theatre on Thursday 28th February. Students will evaluate in their final exam, in lessons between the performance and the written exams students will conduct close analysis of the performance. We have been extremely fortunate to not only get tickets to see the production but to also a stage insight workshop with the stage manager of the performance. This will allow students to tour the set, and see first-hand how key technical features of the play are created.

Shadow Factory

Autumn 1940. The Battle of Britain rages.

Southampton is home to our only hope of victory: the Spitfire. But when the Luftwaffe drops 2,300 bombs in three devastating raids, the city goes up in flames and the Woolston Supermarine Spitfire factory is destroyed.

Jackie is the third generation of Dimmock at her family-run laundry. Polly is the first and only draughtswoman in the Spitfire design office. How will each woman forge her own path in this evolving landscape?

From the ashes, a story of chaos, courage and community spirit emerges.

One of Britain's greatest living playwrights, Hampshire-born Howard Brenton (Anne Boleyn, Shakespeare's Globe; Pravda, National Theatre) tells the remarkable and little known story of how Southampton stepped up when the chips were down.

We will be travelling to the theatre by coach on Thursday 28th February. Students will need to be registered in the Drama Studio (A53) at 4.00pm and we aim to return to school at 11.00pm. The total cost for the trip including transport, ticket for the performance and stage insight workshop will be £22. To attend any of the other trips, students must attend The Shadow Factory.

Missing

Missing is performed by world renowned physical theatre company Gecko, we are incredibly lucky that they are performing so close to us.

Missing is a deliciously warped journey into the depths of the human psyche. Follow Lily, a woman whose soul appears to be decaying. She is very successful in life and love but something is missing...

Amit Lahav's production invites the audience to experience a series of extraordinary images, jaw-dropping choreography and a tantalizing multilingual vocal landscape. The shadows of Lily's past invite her, along with each audience member, to consider how far they have strayed from who they are and where they come from.

Missing is a truly universal theatrical experience. Since 2012 it has toured to Russia, China, Georgia, Malta, Colombia, Mexico and across the UK, including the re-opening of Battersea Arts Centre in September 2018.

The Comedy about a Bank Robbery

After the enormous success of The Play That Goes Wrong, I am very excited to be able to offer to see the next offering by The Mischief Theatre Company; The Comedy About a Bank Robbery:

Breaking into its 3rd year, Mischief Theatre's smash-and-grab hit The Comedy About A Bank Robbery is a fast, fabulous comedy caper and the funniest show in the West End.

Summer 1958. Minneapolis City Bank has been entrusted with a priceless diamond. An escaped convict is dead set on pocketing the gem with the help of his screwball sidekick, trickster girlfriend... and the maintenance man. With mistaken identities, love triangles and hidden agendas, even the most reputable can't be trusted. In a town where everyone's a crook, who will end up bagging the jewel?
