26th February 2018

Dear Parent/Carer,

Re: Planning for Emergency School Closure – Severe Weather 2018

As you are perhaps aware, the Met Office is forecasting snow in many parts of the UK over the next few days.

We seek to work with parents/carers giving them as much notice as possible of emergency school closure. In the event of emergency school closure, for snow or any other reason, a message will be placed on the school app, school website at www.arnewood.hants.sch.uk and www.hants.gov.uk/schoolclosures. The information is duplicated via twitter www.twitter.com/Arnewood_School and Facebook. Where possible we shall endeavour to make a decision by 7:30am.

On days where snow is forecast, children are advised to wear additional warm clothing and appropriate footwear (school shoes should be brought in to school to change if necessary).

Further information can be found on the school website at www.arnewood.hants.sch.uk/emergency-closure.

Yours faithfully,

Mr N Pressnell
Headteacher
