

4th October 2017

Dear Parent/Carer

Re: Hampshire Schools Year 9 Rugby Tournament

Your son has been selected to play in the Hampshire Schools Year 9 13 a-side Rugby Tournament at St John College, Portsmouth PO6 1UN on Friday 6th October 2017.

We will leave school at 8.00am for a 9.15am start travelling in the school minibus and will return at approximately 4.30 pm. Students will be supervised by teaching staff and will need their Arnewood School PE (Rugby) kit including gum shields. They will also need warm waterproof clothes to wear when they are not playing.

Students will need plenty of food and water with them as there will be no canteen facility at the tournament.

Please complete the medical form enclosed with this letter and return it together with the reply slip below if you wish your child to participate in this event. If your child has a medical condition/disability please ensure that your child is not participating in this event against your doctor's advice.

Yours faithfully

Mr T Merrick
Head of PE
