Dear Parent/Carer

Re: GCSE History Revision Guides

In preparation for your son's/daughter's GCSE History exams at the end of Year 11, the History Department will be running a clear and structured revision programme. This will include all lessons from January dedicated to revision, as well as half day sessions during the Easter holiday and the May half term holiday. Students can also attend after school revision as marked on the revision timetable.

To support the revision programme, we are able to offer a revision guide at the discounted price of £9. The guide covers the topics for all three GCSE History exams on: The People's Health, c1250 to present; The Norman Conquest 1065-1087; The Making of America, 1789-1900; and Living under Nazi rule, 1933-1945. The guide includes summary notes and diagrams and contains activities for students to complete independently in order to practise their exam technique. **We strongly recommend that your son/daughter purchases these books.**

If you would like to take advantage of this offer, please complete the reply slip below and return it, together with payment of £9, to the Finance Office, by Friday, 21st June.

Thank you for your support. A more detailed outline of the revision programme will be sent out closer to the time.

Yours faithfully

Mr J Kinnison
Head of Humanities
