Dear Parent/Carer,

**Re: Jane Prowse Writing Workshop**

On Friday 10th May your son / daughter is being given the exciting opportunity to enjoy a creative writing workshop with the author Jane Prowse.

Jane has had a trilogy of books published, aimed at teenagers. She has visited the school before and has always provided valuable and enjoyable lessons which have inspired and motivated students to improve their creative writing.

You can find out more about Jane and her books at <http://www.janeprowse.com>.

I am sure you will recognise the value of this literacy event and I am confident that your son / daughter will benefit from this event. It will be held in the library period five. Naturally, they must catch up on any work missed.

Yours faithfully,

**Mrs C Woodacre**  
**Librarian**
