Dear Parent/Carer

Re: Change to school uniform

I am writing to inform you, that following consultation with our student council, members of the senior team and the governing body, approval has been given by the governing body to a change to the school skirt from the plain black A line skirt with a logo to a pleated check skirt in the colours of the school.

Whilst there is a slight increase in the cost of the skirt, it is of better quality and will therefore last longer than the existing skirt. The skirt also has an adjustable waistline which allow for children's growth. PMG Schoolwear, New Milton continue to be the uniform provider for the school.

The new skirt will be part of the compulsory school uniform from September 2019 for our new Year 7 students; current students are also welcome to purchase the new skirt should they wish.

There will be a transition period of two years before the pleated skirt is made compulsory for all years.

Yours faithfully

*N. M. Pressnell*
