Dear Parent / Carer

Re: Summer Uniform Shorts

The school's student school council have been considering summer uniform and in particular requested school uniform shorts to be worn in summer months. In consultation with the governing body, approval has been given for an optional school short, for boys and girls, that may be worn during the summer term.

The approved school uniform short has an Arnewood logo on the leg and is available from PMG Schoolwear in New Milton as an order only item, for a cost of £22.99. School uniform shorts must be worn with plain, unpatterned, grey, black or white, ankle or calf length socks and standard school uniform shoes. PE shorts may not be worn instead.

As the sunny weather approaches, please can you take the opportunity to remind your son/daughter of the precautions that should be taken if outside in the sunshine for extended periods, including the use of a high factor sun cream, for example at sports fixtures, or on trips.

For further advice or information please contact your child's head of year.

Yours faithfully

Kim Watson
Assistant Headteacher
