Dear Parent/Carer

Re: Summer Term – Visits to The Arnewood School

As we approach the end of this academic year, we are aware that a number of you will be researching secondary schools for your son/daughter ahead of the Hampshire application date at the end of October 2019.

In order to support you in this and to help you to make an informed decision, we would like to invite you to visit the school this term. We are very proud of our school and would be very happy to arrange a personal tour during school hours to enable you to meet a number of staff and students as well as gain an insight into our daily working practice.

If you would like to arrange a time to visit the school, please contact us on the number above and we will work to arrange a mutually convenient time for you to visit. You are welcome to attend with your child with the permission of their current school.

We look forward to hearing from you in due course.

Yours faithfully

Mrs K Watson
Assistant Headteacher
