Dear Parent/Carer,

**Re: Year 8 Little Canada (Isle of Wight) Residential Trip**

As the new Head of Year 8, I am writing to offer the opportunity for a residential trip to Little Canada.

Little Canada, run by the experienced adventure holiday company PGL, is situated on the Isle of Wight and offers a great range of water sports and adventure activities.

It is proposed that the residential trip will take place from late afternoon on **Friday 26<sup>th</sup> April 2019**, returning on the afternoon of **Sunday 28<sup>th</sup> April 2019**. Students will be staying in 2-4 person chalets and have access to activities such as, Abseiling, High ropes, Quad biking, Mountain Biking and many more. The cost of the trip will be **£125.00** and will include ferry crossing and transfer by coach on the Isle of Wight, full board with chalet accommodation and use of the facilities at the Centre with qualified instructors. In order to keep the costs as low as possible we are asking parents to bring the students to Lymington ferry port on Friday afternoon and collect them from there on Sunday evening,

If you would like your son/daughter to take part in the visit please complete the enclosed school trip contract and the reply slip below and return them together with a **non-returnable deposit of £50.00** to the Finance office by **Wednesday 26<sup>th</sup> September**. In the event that there is insufficient demand to run this trip, deposits will be refunded in full. Cheques to be made payable to The Arnewood School with the student's name, tutor group and event on the reverse. A second balance of £40 will be payable by 7<sup>th</sup> November. The final balance will be payable by 1st February 2019, although you may pay the entire amount as one instalment by 26<sup>th</sup> September.

If your child has a medical condition/disability please ensure that your child is not participating in this activity against your doctor's advice. Thank you very much for your continued support.

Yours faithfully

**Mr M Byles**  
**Head of Year 8**
