

4th October 2018

Dear Parent/Carer,

Re: Science GCSE Revision Guides

The Science department would like to offer you the opportunity to purchase a revision guide to support your child with their GCSE course in Science. By purchasing a revision guide through the school you are able to save money on the recommended retail price. If your child does not already have a revision guide we would strongly recommend purchasing one.

This year we are also offering a discounted year’s subscription to Tassomai. An online quiz programme that is tailored to every student and allows students to develop their knowledge and ability to answer questions. More details can be found at <https://www.tassomai.com/>

If you would like to purchase one of the books or the Tassomai subscription please complete and return the reply slip, along with cash or a cheque made payable to The Arnewood School. This needs to be handed in to the Finance office by Friday the 19th October.

If your child is unsure as to which book(s) to purchase, please ask them to discuss this with their Science teacher before placing your order.

Yours sincerely

Mr Peter Grant
Head of Science
Arnewood School
