

26th March 2017

Dear Parent/Carer

Re: Year 7 Examinations

I am writing to give you more information about the forthcoming Year 7 examinations which will take place in the weeks beginning 26th April. Your child will sit examinations in most of their subjects.

These examinations will be formal in nature and the majority will take place in the hall during their usual lesson times. Languages exams will take place during lesson times and students will be advised by their teacher when these shall take place. All other lessons will continue as normal, as per your child's usual timetable. Examinations will take approximately 50 minutes per subject. Students will be given additional information by their subject teachers as to the specific nature of each examination and the Year 7 Tutor Team have also been working on revision strategies and study techniques.

The exam timetable is as follows:

7 LEFT

Monday 23/4/18	– English
Tuesday 24/4/18	– Technology, Science
Wednesday 25/4/18	– Geography
Thursday 26/4/18	– Maths, RS
Friday 27/4/18	– History

7 RIGHT

Monday 23/4/18	– English, History
Tuesday 24/4/18	– Geography
Wednesday 25/4/18	– RS
Thursday 26/4/18	– Maths, Technology
Friday 27/4/18	– Science

I appreciate that these are the first formal examinations your son or daughter will have taken at Arnewood which may cause some anxiety. Please be assured that teachers and tutors will work to ensure that students are as well-prepared as possible.

Should you have any further questions about the examinations please contact me or Mrs Snowdon.

Yours faithfully

Miss H Vincent
Head of Year 7
