

1<sup>st</sup> November 2018

Dear Parents/Carer

**Re: Year 9 Chemistry Lecture at Southampton University – Wednesday 12<sup>th</sup> December 2018**

The Arnewood School Science Department is delighted to offer your son/daughter the opportunity to visit Southampton University to attend an interactive Christmas Science lecture on Wednesday 12<sup>th</sup> December 2018.

The highly visual and entertaining lecture illustrates some of the excitement and relevance of Chemistry and Biology and we hope it will enthuse students and increase their interest in the sciences.

The students will travel by minibus, leaving school at 12.15pm and returning at approximately 4.45pm. The group leader for the trip will be Mrs Sedgley. They will be under the supervision of the teaching staff at all times. Students are required to wear school uniform and bring a packed lunch.

If you wish your son/daughter to participate in this visit, please return the reply slip below and ensure your child's medical details are up to date. Places are limited and will be allocated randomly to students returning the permission form by the deadline.

It is Parent's responsibility to keep the school informed of any changes to contact numbers and medical information pertaining to their child. Parents can update via SIMS Parent Lite – details at <https://www.arnewood.hants.sch.uk/parents/sims-parent-lite> or via contact with reception.

If your child has a medical condition/disability please ensure that your child is not travelling on this school visit against your doctor's advice.

Yours faithfully

**Mrs V Sedgley**  
**Teacher of Science**
