

29th October 2018

Dear Parent/Carer

Re: Teams4U Christmas shoe box appeal 2018

This year all Arnewood students are being invited to take part in the Teams4U Christmas shoebox appeal. The appeal has been running for a number of years and asks people to wrap and fill a shoebox with small gifts so that these may then be sent to disadvantaged and vulnerable children across the world. Leaflets which explain the scheme further and give details of how to fill your shoebox, including information on which items to include and avoid, will be discussed in tutor time this week. You can also access further information online at <http://teams4u.com/>

Completed shoeboxes should be returned to the Year 7 office by Wednesday 14th November.

Thank you in anticipation of your support for this worthwhile cause.

Yours faithfully

Miss H Vincent
Head of Year 7
