Dear parent/carer,

Re: A Monster Calls (Age 12 Certificate)

As you may be aware, your child has been studying the novel, A Monster Calls by Patrick Ness as part of their English lessons. As we approach the end of this unit, we would like to show the film version of the book and compare the two. The film has an age 12 certificate. Please complete and return the slip at the bottom of this letter, letting us know whether you are happy for your child to watch the film in school as part of their English lessons, or not. We will make alternative arrangements for children whose parents do not wish them to watch the film.

Yours faithfully

Kim Watson
Teacher of English and Assistant Headteacher
