Dear Parent/Carer

## Re: Essential Equipment

I am becoming increasingly concerned about the number of Year 7 students who regularly arrive at school without the correct equipment. As a bare minimum all students must bring the following items to school each day:

- a pen
- a pencil
- a ruler
- a rubber

They may also find it useful to bring a small glue stick to ensure worksheets are stuck in in order and a different coloured pen to use when correcting their own work.

Some subjects, for example, Maths, Technology and PE require students to bring in specific equipment. Individual departments can give you more information about this should you need it.

We will be carrying out basic equipment checks over the course of the next half-term to ensure that each student has everything they need to access their lessons. Those without this equipment will be sanctioned accordingly.

Should you have any further queries, please do not hesitate to contact me at the school.

Yours faithfully

**Miss H Vincent**  
**Head of Year 7**
