Dear Parent/Carer/Student,

Re: Year 11 – Sixth Form Transition

I hope this email finds you and your family well.

I am pleased to announce that over the last few weeks staff have been working hard to produce some excellent transition work for your son/daughter to complete in readiness of their move into post-16 study. The resources have been placed on Firefly making it easy for them to access and complete. To access the tasks please visit <https://arnewood.fireflycloud.net/year-11-sixth-form-transition>.

There are subject tasks for all A Levels, BTEC and OCR Technical qualifications we deliver, and we have also created a tutorial page to improve the transferable skills that you will need to succeed next year. This page will be updated weekly with engaging tasks to complete in order to make you Sixth Form ready for September.

If you are not intending to come to the Arnewood Sixth Form, then please feel free to use the transition material for the subjects you will be studying elsewhere. I would also encourage you to look on the further education providers website for their support packages.

Later this month you will be receiving your welcome packs which will contain a number of documents that will need to be completed, ready for a smooth path into the Sixth Form next September.

I'm looking forward to working with you all – stay safe.

Your faithfully

Mr. Colman
Assistant Headteacher
