Dear Parent/Carer

## Re: School Skirts

I hope this letter finds you and your families well. As we continue to plan for September, we would like to remind you of our uniform policy. Full details of this are available on our website: <https://www.arnewood.hants.sch.uk/parents/school-life/uniform/>

Many of you will be aware that we introduced a new school skirt in the autumn term. This skirt is the only skirt that is available for Year 7 and Year 8 and is the only skirt that is available to purchase from our school outfitter, PMG. However, we are aware that some students in Year 9, Year 10 and Year 11 may still have the former black school skirt. Providing this is still a good fit, reaches the knee and is in good condition, you may continue to wear this from September. Any black school skirt that does not reach the knee will not be permitted and students will need to replace this with a new style skirt. Please note that from September 2021, the black school skirt will no longer be a part of the Arnewood School uniform for any student.

If you have any questions, please read the guidance on the website in the first instance. Your child's Head of Year will then be able to offer further guidance if needed.

I wish you all a safe and happy summer.

Yours faithfully

Mrs K Watson  
Assistant Headteacher
