14th July 2020

Dear Student/Parent/Carer,

RE: Year 13/14 Exam Results and Collection 2020

I hope this letter finds you and your family well. Since writing to you in June, regarding the A Level results arrangement, the JCQ have changed the guidance on the time the examination results can be released. The new time for your A Level results to be **emailed to your school email address is 08.00am on Thursday 13th August**. Please can you ensure that you can access your school email account before Tuesday 21st July. If you are unable to, please contact the school ICT helpdesk at helpdesk@arnewood.hants.sch.uk or call 01425 625431 between 8am-2pm.

Due to the setup of the new academic year, your Arnewood email accounts will be closed on the 30th August. **Please ensure that you have saved a copy of your results before this date.**

If you have applied for university this academic year and your results have not gone as you expected then clearing telephone lines open at 08.00am on Thursday 13th August. Places are offered on a first come first served basis, so ringing the university admissions line as soon as lines open is very important. University clearing key dates are available on the UCAS website click [here](#) for more information. Also, the [parent's guide to clearing](#) is a very useful resource.

The sixth form team will be available from 8.30 – 10.30am on the school site for guidance and support on the results day. However, the preferred method of communication for any concerns would be via email to m.colman@arnewood.hants.sch.uk or for specific examination concerns about your results to j.white@arnewood.hants.sch.uk

The official exam certificates are normally delivered to the Arnewood School during November and you will be able to collect them shortly after. We will inform you when these certificates are available via our twitter feed and on the school website www.arnewood.hants.sch.uk.

I do hope that you are pleased with the results you receive on 13th August. However, I know some of you have already asked questions regarding the resit period that has been publicised by the Government. We have been informed that the A Level examination resits will occur between 5th and 23rd October and will take place on the school site. If you do decide that a resit is appropriate, please inform us as soon as possible after receiving your examination results. We will need to be informed at the **latest by Friday 28th August**.

If you have any questions regarding this, please don't hesitate to contact me.

Yours faithfully

Mr. Colman
Head of Sixth Form
