**TEACHER OF CHEMISTRY**  
**Main Scale/Upper Pay Scale, 0.6 - Full Time preferred**

We are seeking to appoint an enthusiastic and ambitious Chemistry teacher to join our science team in January 2021, teaching science and physics to GCSE and Chemistry to A2. You will be joining a well-qualified, friendly and very supportive team.

Chemistry is a popular and successful subject in the school, with a 100% pass rate at A2 from 2009 to 2020. In 2020 approximately 60% of students achieved grade A\* - B.

The successful candidate will have the opportunity to attend Chemistry CPD workshops run locally, regionally and nationally, allowing them to continue to develop their own physics understanding and to further advance their teaching.

For an application form please visit our website at [www.arnewood.hants.sch.uk](http://www.arnewood.hants.sch.uk) at the above address. For further information, please telephone Mr Peter Grant, Head of Science, or email [p.grant@arnewood.hants.sch.uk](mailto:p.grant@arnewood.hants.sch.uk).

The Arnewood School follows best practice in recruiting staff in relation to safeguarding and is an equal opportunities employer
