Music

KS3 resources:

This is a free online keyboard if they don't have access to GarageBand or other music software. It also allows you to build chords and record basic melodies.

<https://www.apronus.com/music/flashpiano.htm>

This is a free composing resource which allows you to build simple melodic loops and add chords/accompaniments using a variety of different sounds.

(This has to be opened in Chrome otherwise it won't work!)

KS4/5 resources:

This is set up on Firefly for GCSE/A Level students, as part of their performing routines. Students click on the relevant instrument and it takes them to an instrument-specific page which has warm up routines on, and graded pieces they can choose and practise for their performances.

<https://arnewood.fireflycloud.net/expressive-arts/music/gcse--1/performing/voice>

This page is set up for composing. There are lots of resources there to help students develop their pieces, including a step-by step guide to composing a pop song:
