* Combined Science is a double award. Therefore % achieving 4 or greater is percentage achieving a 4 or greater in both GCSE Science qualifications (i.e. 4-4 or greater)

** The DfE did not produce national statistics for 2019-2020, and so the Progress 8 score is an estimate.

§ These qualifications are vocational and not graded on the 9-1 scale. DfE equivalent points have been used to generate these percentages.
