

Dear Candidate

Re: About the School

The Arnewood School is a mixed comprehensive academy, the largest school within the Gryphon Multi-Academy Trust which it instigated.

We serve a compact catchment area and enjoy good relationships with other local schools. We consider ourselves fortunate to be very close to both the New Forest and sea, yet near to Bournemouth (20 minutes), Southampton (30 minutes), Winchester (40 minutes) and London (1 hour 45 minutes by train).

A successful application will place you in an enjoyable working environment, where a positive, well behaved, academic atmosphere is normal. You can expect to be well supported in your development as a professional: all our staff have an iPad. All students have laptop computers/iPads which the majority take home on a daily basis.

We place our children's needs first so that they are at the core of good decision making as to what is best for our school community. Our academic record over a long period shows us to be a consistently high performing school, with impressive examination results at all key stages including in our vibrant sixth form. We continue to raise standards in all subject areas; we encourage diversity in teaching and scholarly learning across all subjects. We place great emphasis on a healthy balance between academic work and the all-round development of children. Ours is an academy with a strong commitment to very good pastoral care and a wide variety of curricular opportunities both cultural and sporting.

Typically staff show initiative and take a full part, in extending the school's profile as a centre for excellent learning and teaching and support all colleagues as part of our collective emphasis on continuing professional development.

At The Arnewood School we look to extend and sustain a capacity for excellent teaching. We are well organised, with clear expectations for all our community to make a positive contribution to improve learning to an outstanding standard.

I look forward to hearing from you.

Yours faithfully
