1<sup>st</sup> February 2022

Dear Parent / Carer,

**Re: Supporting your child with revision – Parental Workshop.**

As part of our ongoing preparations for this summer's examinations, the school would like to invite you to attend a virtual workshop on how to support your son/daughter with their revision programme at 7pm on Monday 7<sup>th</sup> February 2022. The session will be led by Lorraine Lee who has a background in child psychology, positive parent training and child development and will focus on helping your son/daughter to build a robust plan for their revision and how you can support and motivate them over the coming months. The workshop will last for one hour and is free of charge. Students in years 11 and 13 will receive a face-to-face workshop during the school day on Monday 7<sup>th</sup> February.

Given the disruption that has been caused over the past few years, we believe that these workshops will help both students and parents prepare for the challenge of the next few months.

If you wish to participate in the evening session, please **register** via the link below. You will then receive the login details for the workshop:
