Dear Parent/Carer

Re: DofE – Important Dates

Thank you for supporting your child's attendance to the DofE session last Thursday. The session allowed students to log onto the DofE app to start inputting information about their plans for the award and provided more information for the students about how it all works.

I would now like to invite all parents/carers and students to a DofE information evening which will take place **on Wednesday 1st March 6-7pm** in the main hall at The Arnewood School. The evening will provide information from our local DofE operation officer regarding each of the 3 sections alongside Land and Wave who will be leading our students through the expedition part of the award.

I am pleased to be able to provide you with some key dates for your diary.

Wednesday 1st March: Information evening 6-7pm at The Arnewood School in the main hall.

Saturday 18th to Sunday 19th March: 2-day expedition training with Land and Wave (New Forest)

Saturday 24th June to Sunday 25th June: Final expedition qualifier (New Forest)

As soon as I have confirmation regarding times and locations, I will let you know. The practice and qualifier weekends will both be local to the New Forest.

I look forward to seeing you for the information evening on March 1st where I will answer any questions that you may have.

Yours faithfully

Miss Samuel
DofE Manager
