Dear Parent/Carer

Re: Geography Fieldwork

As an essential part of the A Level Geography syllabus, students have to write an independent investigation, which is worth 20% of their final grade. In order to complete this, students are expected to collect primary data. As a result, two fieldtrip days have been organised for them on **Monday 3rd July** and **Wednesday 5th July**. We will be visiting Studland Beach and the local coastline over those two days.

Transport will be by mini-bus. Students will be supervised at all times by members of the teaching staff. Students will be required to bring a clipboard (if they have one), pen and pencil, appropriate footwear, waterproof jacket (if required) and a lunch.

It is parent's responsibility to keep the school informed of any changes to contact numbers and medical information pertaining to their child. Parents can update via The Parent Portal (accessible on a laptop or computer) and/or Arbor App (mobile version of the Parent Portal). We recommend the use of The Parent Portal/Arbor App to view and update your child's details as it is the quickest and most secure way to keep all your details up to date. If you would like any support with this please contact our IT Helpdesk on 01425 625 431. If your child has a medical condition/disability, please ensure that your child is not participating in this activity against your doctor's advice.

If you have any questions regarding the visit, please do not hesitate to contact me at school.

Yours faithfully

**Miss A Gardiner
Deputy Head of Humanities**
