Dear Parent/Carer

Re: Lifelab Trip, Southampton General Hospital GCSE Biology on Tuesday 11th July

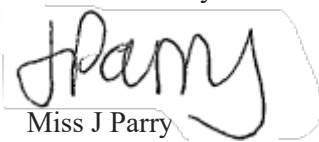

We are delighted to inform you that we offering a trip to the Lifelab at Southampton General Hospital as part of your child’s studies in Biology at GCSE. The trip will study aspects of health relating to lifestyle. We will be travelling to Southampton by coach, leaving the school at **8.30am** and returning by **3.30pm**. Students will be required to be in school uniform, as usual, and they will need to bring a packed lunch and drink in a suitable container. The cost of this trip is covered by Southampton University and the Lifelab programme.

Please complete the attached reply slip **fully** and return it to the Finance Office **by Friday 16th June 2023**.

It is parent’s responsibility to keep the school informed of any changes to contact numbers and medical information pertaining to their child. Parents can update via The Parent Portal (accessible on a laptop or computer) and/or Arbor App (mobile version of the Parent Portal). We recommend the use of The Parent Portal/Arbor App to view and update your child’s details as it is the quickest and most secure way to keep all your details up to date. If you would like any support with this please contact our IT Helpdesk on 01425 625 431. If your child has a medical condition/disability, please ensure that our records are up to date and that they are not taking part in this visit against your doctor’s advice.

Please do not hesitate to contact me if you have any questions or require further information at this time.

Yours faithfully

Miss J Parry
Deputy Head of Science
